Residents are reminded that bulk garbage is included with your domestic weekly garbage collection. Council would also like to remind residents that garbage should be kept in proper garbage containers or covered.

Recycling Program will continue on a bi-weekly basis. Information regarding the Recycling Program can be found on the Town's website www.brigus.net. Your support in recycling will help reduce waste at landfills along with helping the environment.

The Harbour Grace Waste Recovery Facility is open to residents during the following hours: Tuesday & Thursday 12 noon to 4pm and Saturday 9am to 5pm. Items such as Construction/Renovation Materials, Metals, Electronics, and Furniture etc. can be brought to this facility and disposed of free of charge. A recycling container is located behind the town garage or you can drop them off at French's located on LT. Stick Drive in Bay Roberts.

Recreation

Due to restrictions in place, there was no Recreation Program offered this year. The town had 6 workers (Riley Oliver, Ryan Percy, Ryan Farrell, Jasper Scott, Chloe Clarke and Mackenzie Rose) hired under Canada Summer Jobs whose time was dedicated to town maintenance.

It was a different year for Recreation in our community. Due to COVID-19 restrictions events this past year have been limited. Prior to the COVID-19 outbreak, Recreation was happy to offer Yoga at the Recreation Center with Emma Chafe as well as the skating rink which was a hit. In keeping with the COVID-19 guidelines and recommendations our Recreation Committee was able to put off an outdoor movie night at the Brigus Ballfield followed by fireworks, the third annual Halloween Hunt which took place on October 25th. Unlike other years, the hunt took place at the Municipal Park but was another great success, with much fun had by both children and adults. Thank you to all the Businesses who took part. Your support does not go unnoticed.

Thank you to Recreation and Fire Department for their work in a successful Bonfire night.

The Christmas Tree Lighting Ceremony had a good attendance. Thank you to all who came out to kick off the Christmas season. Thank you to the volunteers on the Recreation Committee for dedicating their time to decorate the Brigus Playground. We would also like to thank the Brigus Historical Society for their hard work and dedication in lighting up Wilcox Gardens. It was beautiful.

Other events included; Easter Bunny drive by, cold plate fundraiser, Christmas craft sale, mummering and Christmas Parade.

Recreation honored the late Sgt. Herman Williams with a memorial plaque and gathering. The plaque is now displayed at the Brigus ball field.

We hope that in the New Year our 50+ club will be back to regular weekly meetings. We were given funding through the Community Healthy Living grant which we look forward to using to bring more to our group in the coming months. If you have a suggestion on activities or sessions you would like to see please forward them to brigus@eastlink.ca or pass along to Bobbie during the Tuesday sessions.

Our Walking Track is accessible to all and was built to promote walking and physical activity within our town especially during peak summer months when our narrow streets are usually so congested. We invite you all to get out and check out our new track. 4 Laps equals 1km.

Blueberry Festival

We sure missed everyone this year at what would have been the 33rd Annual Brigus Blueberry Festival. We hope that COVID-19 allows us to plan for August 2021.
